

Downloading the 10WCC app

1 Go to the right store. Access the App Store on iOS devices and the Play Store on Android.

If you're using a BlackBerry or Windows phone, skip these steps. You'll need to use the web version of the app found here: <https://event.crowdcompass.com/10wcc>

2 Install the app. Search for 10th World Chambers Congress. Once you've found the app, tap either **Download** or **Install**.

After installing, a new icon will appear on the homescreen:

Details on how to create a profile within the app will be emailed to all registered delegates who have consented to be part of the delegate list.
